**shree ram krishna instute of science & technology | kolkata, West Bengal**  
**diploma in eletronics telecommunications engineering | 09/2024**

I am proud to highlight my academic achievements as a recent graduate from Kishornagar School, where I successfully completed my high school education under the esteemed State Council of Technical & Vocational Education & Skill Development.

Throughout my high school journey, I maintained a commendable academic record, achieving an impressive overall grade of 81%. This accomplishment is a testament to my dedication to excellence and my commitment to mastering the curriculum provided by the State Council.

My academic success is not only reflected in my grades but also in the knowledge and skills I have acquired in various subjects. The curriculum, designed by the State Council of Technical & Vocational Education & Skill Development, provided a comprehensive and practical foundation that has prepared me for further educational pursuits and real-world challenges.
